About Me

I specialize in building responsive and animated user interfaces using HTML, CSS, and JavaScript.
My designs are not just functional but also visually appealing, blending modern UI/UX principles with creative elements.
Using tools like Figma, I craft intuitive layouts and smooth user flows tailored for both web and mobile.

Skills

"Skilled in crafting fully responsive and visually engaging user interfaces using HTML, CSS, JavaScript, and Figma — blending clean, maintainable code with innovative UI/UX design principles to deliver seamless and interactive web experiences."

Experience

- One year of experience as an Operations Officer at SK Finance, Jaipur – managing SME loan processing, documentation, and operational compliance.

- 9 months of experience as a Cashless Data Entry Operator at Vaidal Health Group – responsible for accurate insurance data entry and processing of cashless claims.
